- E. Unused scholarship funds will be retained by Benton REA. Unused funds may result if a student is over financed or if a recipient ceases to be a student. - G. Recipients of a continuing education scholarship must maintain an annual cumulative GPA of 3.0 or higher to remain in the program. The reinstatement provisions within this section shall not change, or modify the intent of, any of the other provisions in this policy
- E. Access to the scholarship fund for an academic scholarship is valid for a limited time period not to exceed six (6) years from the date of initial enrollment in an accredited college, university or training institution and the funds shall only be disbursed for a period not to exceed four (4) school years. Academic scholarship recipients can attend a community college and transfer to a university as they work towards earning an undergraduate Bachelor's degree. If a scholarship recipient provides a

schedule that verifies the recipient will complete an undergraduate Bachelor's degree program in less than four school years, as determined by the Benton REA Review Committee, all remaining funds of the \$8,000 scholarship will be paid in the final year.

- F. Continuing access to scholarship funds is contingent upon the parent(s) or legal guardian(s) continuing their membership with Benton REA with their primary residence located within Benton County, Lewis County, or Yakima County.
